

adiPower™ Predator TRX FG

Available: June 2011

- Master the ball in the lightest PREDATOR® ever.
- Features TRAXION™ outsole, sprint frame construction and proven PREDATOR® technology for skillful touch on firm ground.
- Upper: Powerspine technology in the forefoot creates maximum shooting power by minimizing the energy lost while shooting.
- Taurus: a newly developed full-grain calf leather for a glove-like fit. Highly abrasion resistant with low water uptake. Silicon rubber PREDATOR® technology for maximum swerve and ball control.
- Lining: Nubuck touch heel lining for supersoft comfort.
- Inlay: Pre-molded EVA sockliner with additional anti-slip EVA inserts on the backside.
- Midsole: Internal chassis construction that holds the revolutionary powerspine, providing never-before-seen shooting power.
- Outsole: The sprint frame construction uses geometrical learnings and a new stud shape to offer the perfect balance between light weight and stability. A new dual-density, superlight TRAXION™ FG outsole for optimum grip and stud pressure distribution on firm natural grass pitches.

Sizes: 6.5-13.5
